

Lessons Learned! From Proper Preflight to Transition Training

MATT McKeon will discuss an air refueling malfunction on his F-117A. The story has a happy ending but there were a number of lessons learned pertaining to preflight, systems knowledge, airmanship, and judgment that may be relevant to other aviators.

MIKLOS ALAKSZAY will discuss transition training and an accident resulting from a pilot's move to an unfamiliar aircraft.

To attend this informative event, click the link below and register TODAY.

Directions: Shannon Airport is located off of Tidewater Trail, which is also known as State Route 2 and 17. Enter on Shannon Airport Circle and park anywhere in the parking lot. (Robins nest Café)

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
